## 8<sup>th</sup> Annual

# Walk For Life

### 2 Mile Run, Roll or Stroll

In memory of  
Theresa "Peanut" Stanley  
sponsored by  
The Wauconda Rotary Club  
and Hosted by the Stanley Family

Saturday, June 21, 2008  
Wauconda High School

Wauconda, Illinois

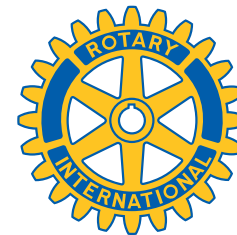

## Our Goal

Peanut's Annual Walk For Life was started to honor the memory of Theresa "Peanut" Stanley, to raise awareness of the terrible consequences of drunk driving and to help other victims of drunk drivers.

Last year more than 600 people were killed in alcohol related crashes in Illinois. The loss of income and the medical and funeral expenses that these crashes cause can place terrific financial burdens on innocent families. The proceeds from this walk will be donated to the Alliance Against Intoxicated Motorists to provide financial assistance to needy crash victims and to support education and prevention programs throughout Illinois. Thanks to your generosity we have already donated over \$48,000 to this worthy cause.

At times we may feel that the problem of drinking and driving is too overwhelming and that there is nothing we can do to solve the problem. However, we will not accept the fact that Theresa died in vain. If we can keep just one intoxicated driver off the road and save just one life or if we can help other innocent families in need, then our efforts will have served their purpose.

The Wauconda Rotary Club is pleased to sponsor this event. We would like to express our thanks to the many friends who support this walk and help us to achieve our goals and save innocent lives.

## Theresa "Peanut" Stanley

Our beloved daughter, Theresa Marie Stanley, and her boyfriend, David Brown, were killed on March 3, 2001, when their truck was struck head on by a drunk driver near Wausau, Wisconsin. Her tragic death has left an emptiness in our hearts that will never be filled. On bad days, we have difficulty developing the energy or interest to perform daily tasks. Even on the best days, we realize there is something missing in our lives that used to be there and will never be there again.

Theresa was a 1992 graduate of St. Emily's School in Mt. Prospect and a 1996 graduate of Wauconda High School. Her high school years were a time of great personal development for Theresa. She had many artistic talents and was active in many school organizations and teams. Her friends called her "Peanut" because she was short, but her big heart and concern for others more than made up for what she lacked in physical stature. Theresa was always seeing the bright side of things and was the kind of person that could bring a smile to your face on even your worst days. She was a good and loyal friend and she loved her family and friends with all of her heart.

At 22 years old, Theresa was just beginning her life. She had so much ahead of her – so much laughter, so much happiness and so much hope for things to come. All of this potential was destroyed in an instant by a drunk driver. Those of us who had the privilege to know her, whether it was for a few hours or a lifetime, were truly blessed to have her in our lives. We miss her terribly and we are grateful for the many friends who have offered their support and prayers during these past difficult years.

## About the Walk

Peanut's Walk for Life is a 2 Mile Run, Roll and Stroll to support the Alliance Against Intoxicated Motorists (AAIM) – a Schaumburg based organization that assists victims of drunken drivers. Proceeds also go to support the Peanut Scholarship Fund – an annual award to a graduating Wauconda High School Student in Theresa's memory.
